NOTES AND PRECIS.

Extracts from office notes in R.O.File No.1215 of 1934.

Para:(24).

(1) x x x If I remember aright, Additional Judge once suggested that a practicable arrangement would be to relieve the District Judge of some of his Small Cause work and in its place to let him take on the work of Registrar of Joint Stock Companies.

(2) Para:(25).

The proper arrangement seems to be

(a) to enhance the Small Cause powers of the Registrar of the District Court to (say) Rs.100; and

(b) to transfer the work of Registrar of Joint Stock Companies from Secretary to District Judge.

(3) Para(32).

x x x Two drafts are submitted.

(4) Para:(33).

Separate action will be taken to transfer the work of t the Registrar of Joint Stock Companies from the Secretary to the District Judge.

(5) Para:(38).

The drafts may now issue?

(6) Issued. S.N.1. Exp 1-3

Dy.No.11641. S.N.2. 4

(7) From para:(1) ante and para.3 of S.N.1.

(8) It may be noted that Secretary holds the following appointments in connection with Companies work:-

(i) Registrar of Companies under the Indian Companies Act, 1882 (Act No.VI of 1882) now Act VII of 1913 ~~(VII of 1913)~~.- Vide Residency Notification No.1686, dated the 10th June 1886 at page 597 of Macpherson's British Enactments, Vol.VI (1929 edition).

(ii) Registrar of Provident Insurance Societies under the Provident Insurance Societies Act, 1912.-Vide Residency Notification No.59, dated the 29th July 1912 at pages 582-583 of Macpherson's British Enactments Vol.VI(1929 edition).

(iii) Registrar of Indian Life Assurance Companies under the Indian Life Assurance Companies Act,1912.-Vide Residency Notification No.54, dated the 18th November 1915, page 589 of Macpherson's British Enactments, Vol.VI (1929 edition).

S.N.2 As the District Judge has consented to take over the duties of the Registrar of Companies, the Notifications cited above may be cancelled and fresh Notifications issued appointing the District Judge as Registrar under the various Acts mentioned above.

(9) There is at present one clerk in the Residency Office borne on the establishment of the Registrar of Joint Stock Companies, in the grade of Rs.35-3-80-4-100 P.M. and the cost is debited to the M.A.T.budget. The major portion of the work done by him is of the Residency office proper and Companies work forms only a very small part of his work. If this clerk is to be transferred to the District Court, it will seriously affect the Resident's Office establishment which is already undermanned. The District Judge has a fairly large establishment and the work of the Registrar of

of Companies being comparatively very little, it would perhaps be possible for the District Judge to get on without additional establishment. Moreover the District Judge has recently been appointed as Registrar of Firms for the Station and ~~xx~~ extra establishment has been sanctioned in that connection. The District Judge has not asked for additional establishment just now and if he does so later, the question can then be considered on its merits.

(10) The existing post of the Company Clerk in the Residency Office may be abolished and in its place a new post on Rs.35-3-80-4-100 P.M. created in the Resident's Office with effect from 1st April 1935 to deal with the work relating to the offices of the Inspector General of Registration and the ~~work relating to the Office of the~~ Commissioner of Income-tax, the pay of the post being debited to M.A.T. budget under "9- Registration". The present Company Clerk who is drawing Rs.77/- in the grade of Rs.35-3-80-4-100 P.M. can in that case be transferred to the newly created post. It is for orders whether action may be taken on these lines.

(Secretary is the Inspector General of Registration and Commissioner of Income-tax for the Station ~~but~~ has no separate establishment to perform these duties).

(11) There is one more point for consideration. A complaint of an offence under the Companies Act may be preferred by the Registrar of Companies and such an offence is triable by a Magistrate of the First Class - Vide section 278 of the Indian Companies Act, 1913 (VII of 1913) and notes thereunder. The District Judge is also the Sessions Judge for the Civil and Military Station of Bangalore and in the latter capacity, he hears appeals against the decision of the First Class Magistrates in the Station. As the Sessions Judge will be the future Registrar of Companies for the Station, he is debarred from hearing appeals against the decisions of the First Class Magistrates in respect of cases coming under the Companies Act. Prosecutions under the Companies Act have however been very rare in the past; and if any occasion should arise in the future when the Sessions

Judge finds himself unable to hear an appeal under the Companies Act, the question of appointing the District Magistrate or any other suitable officer as an Additional Sessions Judge so far as offences under the Companies Act are concerned, can be considered.

(12) If approved, the Companies work may be transferred to the District Judge with effect from the next financial year (1-4-1935).

Draft letter to the District and Sessions Judge with three draft notifications are submitted.

(13) The drafts appear to be correct.

(14) Para 10. It is difficult now to keep abreast of the current work, we will get into hopeless arrears if we give up the services of a man. The office have suggested the means whereby we can continue without diminishing our strength. I suggest that the arrangement be approved.

As regards funds, we have budgeted for 1935-36 for the Companies clerk. His pay will be available for the clerk to be appointed. The necessary reappropriation can be made in December 1935 with the approval of the Government of India.

In the M.A.T.budget for 1935-36 a sum of Rs.1,000/- has been provided under the head "K.Miscellaneous - Departments-K.1.-Pay of Establishments- Registrar of Joint Stock Companies". The post of the Clerk attached to the Registrar of Joint Stock Companies was abolished from 1-4-1935 and a new post of a Clerk for the office of the Inspector General of Registration was created with effect from that date. It is proposed to utilise the amount that became available consequent on the abolition of the former post to meet the pay of the newly created post. The provision of Rs.1,000/- mentioned above is therefore not available for other expenditure.

There is a provision of Rs.900/- on account of the pay of the Clerk of the Registrar of Joint Stock Companies and Rs.100/- for his leave salary. Out of this a sum of Rs.74/- being the pay of the Clerk for March 1935 was paid in the month of April 1935. It is proposed to transfer the balance, viz, Rs.926/- to the head "D-Registration-D.1-Pay of Establishments-Clerk to the Inspector General of Registration" and "K.2-Other Charges".

*(Pay Rs.77 -Rs.3-14-0 emergency cut).

(24)

The actual amount required under "D-Registration" is only Rs.868/- as shown in the margin. There will therefore be a saving of Rs.58/- under this head. This amount may be re-appropriated to the head "K.Miscellaneous Departments-K.2-Other Charges-Registrar of Joint Stock Companies-Contingencies". The Registrar of Joint Stock Companies may be informed that the balance of Rs.42/- required by him will be provided later in the year, if funds become available.

It has been ascertained that Mr.Jayaramiah, Clerk to the I.G.of Registration, will not require any leave during 1935-36).

The increase under "D-Registration-D.1-Pay of Establishments" is due to the creation of the post of a Clerk on Rs.35-3-80-4-100 in the office of the Inspector General of Registration with effect from the 1st April 1935.

The excess under "K-Miscellaneous Departments-K.2-Other Charges" is due to the provision made on account of the contingencies of the office of the Registrar of Joint Stock Companies, Civil and Military Station, Bangalore.

The reduction under "K-Miscellaneous Departments-K.1-Pay of Establishments-Registrar of Joint Stock Companies" is due to the abolition of the post of the Clerk attached to that office with effect from 1st April 1935.

The Inspector General of Registration, Civil and Military Station, Bangalore.

The Registrar of Joint Stock Companies, Civil and Military Station, Bangalore, with reference to his letter No.163, dated the 5th September 1935. The balance of Rs.42/- required by him on account of contingencies will be provided later ~~in the year~~, if funds become available.
